# Certificate of Compliance

Effective:  
**August 9th, 2016**

## Automatic On-Board Recording Device

The Motive AOBRD is compliant with **49 CFR § 395.15 and Section 83** of Canada's Commercial Vehicle Drivers Hours of Service Regulations regarding the use of electronic recording devices. The Motive AOBRD is integrally synchronized with the operations of the vehicle and records road speed and engine use, which can be found via the Location History report available by accessing the Fleet Administrator Dashboard. The Motive AOBRD also records miles driven and date and time of the day which can be found in the log display available in DOT Inspection Mode.

This Certificate certifies that the design of the Motive Automatic On-Board Recording Device has been sufficiently tested to meet the requirements of **49 CFR § 395.15** and shall be used to record drivers' Records of Duty Status while operating this vehicle.
