

# Compliance

Prevent violations, stay compliant, and cut costs with automated compliance management.

## Motive gets results

**50%**

Reduction in  
HOS violations

**50%**

Less time spent on  
compliance tasks

**25%**

Reduction in  
insurance costs

**Ellen McDonald**  
Safety Director  
Expressway Logistics

**“We reduced HOS violations by 67%. Our CSA score dropped from 99 to 59. That improvement has been huge for our business. I’ve even talked two other companies into joining Motive.”**

## How it works

Simplify compliance  
with the Driver App  
loved by drivers

Improve efficiency  
and reduce  
violations with  
automation

Get a complete  
view of compliance  
health anytime,  
anywhere

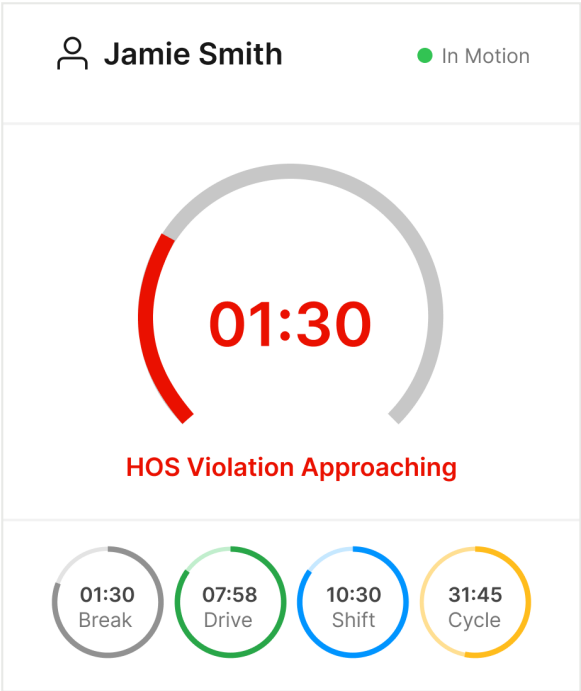

The Driver App

The Motive Driver App makes compliance easy and reliable. Our ELD is FMCSA-registered and certified in Canada.

The Motive difference

Reduce risk

- Avoid violations and ace roadside inspections
- Real-time alerts for upcoming HOS violations
  - Stable ELD connectivity even in remote areas
  - Passcodes to protect driver info at inspections

Automated compliance management

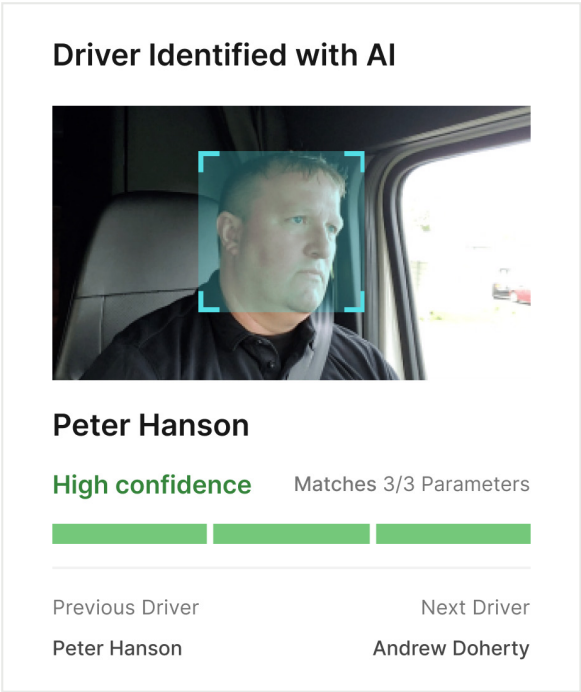

Work smarter with AI-powered unidentified trip matching, real-time alerts, automatic annotations, and more.

The Motive difference

Be more productive

Resolve unidentified trips faster and reduce violations

- Efficient trip-matching through AI
- Vehicle Gateway disconnect alerts
- Automatic yard move annotation

### Full visibility

Together, the Compliance Hub and Fleet App present a complete view of fleet compliance health.

### The Motive difference

#### Minimize violations

Manage data easily and resolve violations faster

- See violation trends and driver ranking
- Access compliance data anytime, anywhere
- Pair CSA with DRIVE to see full driver risk
