Dispatch

Manage your dispatches with ease.

Business agility

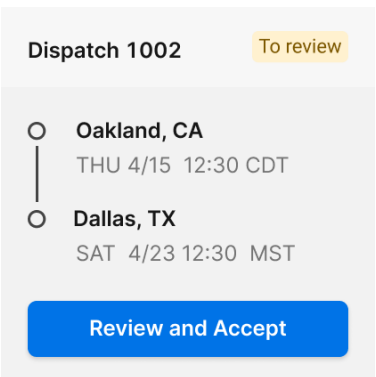

Organize, assign, and optimize for on-time deliveries with cloud-based dispatch management.

How it works

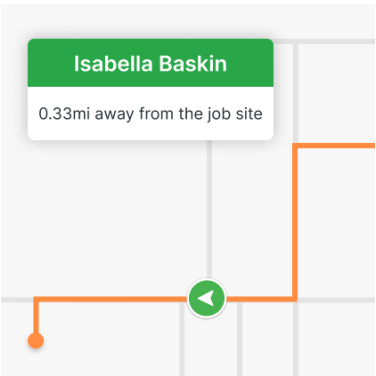

Create and assign work orders in the Motive Fleet Dashboard.

Accept and complete dispatch tasks in the Motive Driver App.

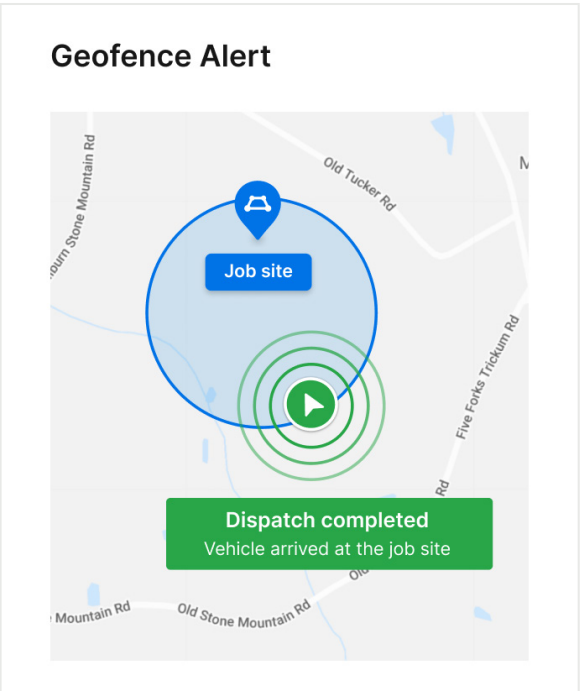

Track real-time locations, ETAs, vehicle status, and more.

Streamlined

Reduce repetitive tasks through automations. Free up dispatchers so they can focus on meeting your customers' service needs and delivering on time.

Integrated

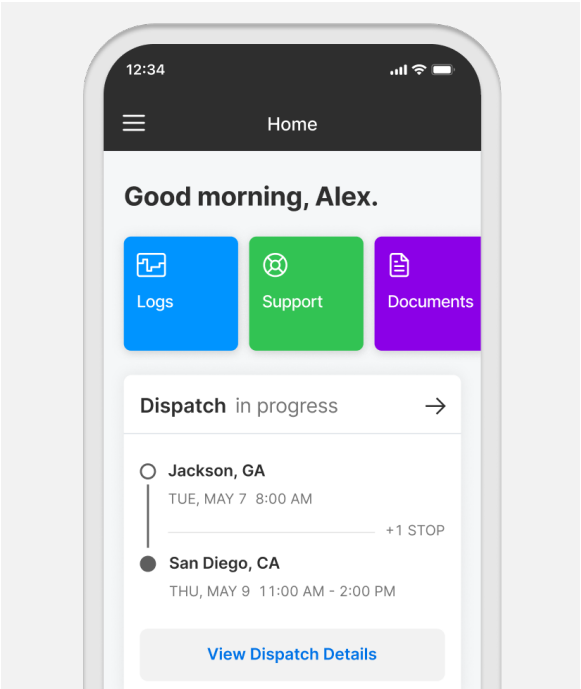

Seize daily opportunities with actionable and operational data side by side with your planned and active dispatches.

Customizable

Own your driver experience with the configurable, convenient, and easy-to-use Motive Driver App.

The Motive platform transforms your physical operations.

Improve your safety, productivity, and profitability, all in one place.

About Motive

Motive builds technology to improve the safety, productivity, and profitability of businesses that power the physical economy. The Motive Automated Operations Platform combines IoT hardware with AI-powered applications to automate vehicle and equipment tracking, driver safety, compliance, maintenance, spend management, and more. Motive serves more than 120,000 businesses, across a wide range of industries including trucking and logistics, construction, oil and gas, food and beverages, field services, agriculture, passenger transit, and delivery. Visit gomotive.com to learn more.
