Introducing SafetyIQ

A unified program built exclusively for FedEx Independent Service Providers — combining elite safety tools, insurance access, and the only platform that shows contractors the real dollar impact of their safety performance.

VEDR + ELD + FUEL CARD

Motive

- Video event detection for P&D fleets
- ELD compliance for Linehaul (Aug 2026 mandate)
- Fuel Card — avg \$0.20+/gal savings at 35,000+ locations
- Fuel data reveals theft, waste & negotiation leverage

SAFETY TRAINING

Impact Solutions

- FedEx-approved QualCert training programs
- CarriersEdge e-learning for all drivers
- Certified Safety Trainer Hub for your ISP
- Local in-person safety events

INSURANCE ACCESS

Marsh

- ISP-specific Workers' Comp (Schedule L, Sec. 1.2C)
- Employment Practices Liability (Sec. 1.2D)
- 36-month safety lookback qualifications
- Schedule L incentive contributions available

FINANCIAL VISIBILITY

eTruckBiz BOSS

- The ONLY platform showing safety's dollar impact
- Real-time FedEx API — route, revenue & ops data
- SafetyIQ financial impact dashboard
- Schedule L incentives can fund the entire program
